12 February 1982

MEMORANDUM FOR: Director of Central Intelligence

FROM :

[REDACTED]

SUBJECT :

NSC Meeting on Poland/Pipeline

Harry Rowen just informed me that he and a variety of others will be getting together [REDACTED] on Wednesday [REDACTED] on various aspects of the Soviet pipeline. Knowing that an NSC meeting on Poland is likely next week, he asked if you might be able to weigh in with the White House and have that meeting scheduled on Thursday so that the results of Wednesday's meetings to which you, Bob Gates, and others will be invited can be factored in.
